

Do you enjoy free lunch?

Playing fun games?

Meeting people?

We're looking for volunteers to participate in some activities collecting data for digital contact tracing algorithms. We just need you to be around other humans (with some sensing equipment).

Three studies will be occurring on Thursday 4/27/23, Tuesday 5/2/23*, & Friday 5/5/23+. Use the QR code below or go to <https://tinyurl.com/CoCoTStudy> to enroll and for more information! Each study has a chance to win a **\$50 giftcard!**

Participants must be 18 years or older.

*date subject to change due to weather since it's outdoors.

+This session may be canceled depending on the data results of the first two.
